For: TEST PATTERN, INSPECTION METHOD, AND DEVICE MANUFACTURING METHOD

## COMMENTS ON EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop Issue Fee Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

In reply to the Notice of Allowance dated August 10, 2006, consideration of the following comments is respectfully requested.

In the Notice of Allowability, the Examiner set forth "Reasons for Allowance." Applicants respectfully traverse those Reasons. Specifically, it is submitted that the subject matter of the allowed claims is patentable because of the respective recitations of claimed combinations as a whole, without any particular criticality or distinguishing feature being attributable to any one or more of such features, and without any narrowing interpretation being imposed on any of such features. In addition, Applicants also submit that the dependent claims are allowable not only for their dependence on the allowed independent claims, but also for the additional subject matter recited in each of those dependent claims.

Respectfully Submitted,

PILLSBURY WINTHROP SHAW PITTMAN LLP

Guillermo E. Baeza
